

PRODUCT NO. 5382

DOTLUX Spacer 20mm for QUICK-FIX24V PU = 24 pieces

to the product page

- The spacer enables optimum installation with various luminaire types
- The module can therefore be optimally installed, e.g. in front of specular reflector luminaires to improve the light output of the entire system
- Can only be ordered in packaging units, not available individually
- 1 PU contains 24 pieces
