

PRODUCT NO. 5531

Stainless steel hose clamp with folding lock

to the product page

- Our stainless steel hose clamps are ideal for attaching HLFsport and HLFplus series power packs to the pole close to the ground
- The Quick-Lock closure allows for easy and fast installation, as the band can be adjusted to the correct tube diameter before the closure is secured with the screw
- Strap thickness 0.6mm with bandwidth 9mm Stainless steel closure and strap
- 2 hose clamps are required for a HLFsport or HLFplus power pack
- The clamps are suitable for a mast diameter of 60 to 370mm diameter
