

PRODUCT NO. 5818

DOTLUX Spike protector

to the product page

- The high voltage spikes on the PUSH-DIM wiring have negative effects on the DALI circuitry
- A resistor in series with the PUSH-DIM button can dampen the oscillation and limit the current
- Input voltage: 230V, 50/60 Hz
- Input voltage range: 0-300Vac
- Resistance: 200-300 OHM room temperature
- Operating temperature: -20°C to 65°C
